

Redesigned Portal Structure

Proposed Sections and Information Flow:

1. Home Dashboard

- **Overview Panel:**
 - Quick access to Individual and Group sections.
 - Notifications for pending tasks or updates.
 - Personalized shortcuts to frequently used tools.
- **Key Metrics:**
 - Sales statistics and progress.
 - Links to recent quotes, underwriting cases, and applications.
- **Sales Flow Icon:**
 - A clickable icon that visually explains the sales flow for both Individual and Group processes.
 - When clicked, displays a diagram or animation showing steps: Product Selection, Agency Contract, Pre-Quoting, Pre-Underwriting, and Application Submission.

2. Buddy Advisor (Chat GPT) - Accessible anywhere in the portal

3. Sales Tools

Individual Sales Tools:

- **Product Buddy:**
 - Step-by-step tool for recommending insurance products.
 - Customizable filters based on client needs.
- **Quick Quote (Hubspot Benefit Buddy):**
- **Underwriting Buddy - Link to Buddy Advisor**
 - Preliminary underwriting assessments based on client information.
- **Contract Manager:**
 - Integrated into the flow to guide agents through the electronic contract-signing process.
 - Seamlessly skips this step for users with existing contracts.
- **Benefit Buddy Planning Tool:**
 - Interface for pre-quoting.
 - Input client data and generate quick quotes.
- **Sales Guides (Individual):**
 - Comprehensive step-by-step guides for selling individual insurance.
 - Case studies and success stories.

Group Sales Tools:

- **Product Buddy (Group)**
 - Tailored recommendations for group insurance packages.
- **Quick Quote (Hubspot Benefit Buddy):**
- **Underwriting Buddy (Group):**
 - Pre-assessment of group applications.
- **Contract Manager (Group):**
 - Group-specific contracting tool for guiding agents through required documentation.
 - Automatically skips if contracts are already in place.
- **Buddy Advisor / Underwriting Buddy (Group):**
 - Pre-assessment of group applications.
- **Sales Guides (Group)**
 - Detailed sales guides for group policies.
 - Sample group sales scenarios and FAQs.

4. Resources

- **Learning Lab:**
 - Tutorials and guides for using the tools.
 - Insurance-specific resources for individual and group contexts (link to Sales Guides)
- **Marketing:**
 - Downloadable marketing materials.
 - Templates for promoting individual and group solutions.
- **Study Groups:**
 - Collaboration spaces for agents to share insights and best practices.
- **Community Partners:**
 - Links to external resources and partnerships.

5. Help Section

- **FAQ:**
 - Separate sections for Individual and Group queries.
- **Contact Us:**
 - Live chat and ticket submission for technical support or sales assistance.
- **AI Assistant (Chat GPT):**
 - Real-time guidance on using tools and navigating the portal.

6. Account section

- **Your Details**
 - Personal information
 - Sign-in and Security
- **Plan & Billing**
 - Ability to change plan (upgrade and downgrade)

- Ability to cancel membership
- Ability to update/change/add credit card
- Redeem coupon code

Proposed Sales Process Information Flow:

Individual Section Sales Journey:

- 1. Product Selection:**
 - Navigate to Product Buddy and input client details.
 - View recommended products with detailed descriptions.
- 2. Agency Contract:**
 - Contract Manager prompts electronic contract signing if required.
 - Seamlessly proceeds if the agent already has a valid contract.
- 3. Pre-Quoting:**
 - Input client data into Benefit Buddy.
 - Generate and review pre-quotes.
- 4. Pre-Underwriting:**
 - Run preliminary checks using Underwriting Buddy.
- 5. Application Submission:**
 - Redirect to insurance company's application page.

Group Section Sales Journey:

- 1. Product Selection:**
 - Access group-specific Product Buddy.
 - Customize recommendations based on group size and needs.
- 2. Agency Contract:**
 - Contract Manager guides through group-specific contracting.
 - Skips this step if already contracted.
- 3. Pre-Quoting:**
 - Use Benefit Buddy (Group) for group policy quotes.
- 4. Pre-Underwriting:**
 - Perform pre-underwriting checks with Underwriting Buddy (Group).
- 5. Application Submission:**
 - Redirect to the group application page on the insurance company's site.

Additional Features:

- **Unified Navigation:**
 - Clear distinction between Individual and Group sections.
 - Persistent navigation bar with direct links to tools and resources.
- **Customizable Dashboard:**
 - Agents can personalize the dashboard with their preferred shortcuts and widgets.
- **Performance Tracking:**

- Track sales performance and pending tasks for both Individual and Group processes.
